

Consent to Use Of Tax Return Information

EPA BUSINESS AND FINANCIAL SERVICES ("we," "us" and "our")

Federal law requires this consent form be provided to you ("you" refers to each taxpayer, if more than one). Unless authorized by law, we cannot disclose, without your consent, your tax return information to third parties for purposes other than the preparation and filing of your tax return. If you consent to the disclosure of your tax return information, Federal law may not protect your tax return information from further use or distribution.

You are not required to complete this form. If we obtain your signature on this form by conditioning our services on your consent, your consent will not be valid. If you agree to the disclosure of your tax return information, your consent is valid for the amount of time that you specify. If you do not specify the duration of your consent, your consent is valid for one year.

For your convenience, we have entered into an arrangement with River City Bank to provide qualifying taxpayers with the opportunity to apply for a Refund Anticipation Loan (RAL) or Electronic Refund Check (ERC) offered by River City Bank. To determine whether a bank product may be available to you, we will need to use your tax return information by analyzing it and calculating the amount of your anticipated refund.

If you would like us to use your tax return information to determine whether a bank product may be available to you while we are preparing your return, please sign and date this consent to the use of your tax return information.

By signing below, you (including each of you if there is more than one taxpayer) authorize us to use the information you provide to us during the preparation of your 2008 tax return to determine whether to present you with the opportunity to apply for a bank product from River City Bank.
